

ENVIRONMENTAL OPERATOR TRAINING

Jameson Water Services – COVID 19 Protocol

Thank you for participating in this training session being hosted by Jameson Water Services. In our continuing effort to stop the spread of COVID 19 and ensure all course participants remain safe, we ask that read through this protocol.

All protocol steps must be followed while attending the course. Failure to do so will result in your immediate dismissal from the course offering.

When you arrive at the training course location, please look for and follow the site-specific signage for the location you are at. Site specific protocols may be in place that supersede this protocol.

1. If you have developed a cough, have a fever, or any other indications of feeling ill or have travelled outside of BC in the past 14 days, **please stay at home.**
2. Always respect physical distancing measures. If you cannot maintain 2 meters of distance between yourself and other course attendees, please wear a mask.
3. If you arrive early to the facility and the doors are not yet opened, please stay in your vehicle. Do not wait outside in a group waiting for the doors to be opened.
4. Enter the training room one at a time, using physical distancing separation.
5. Hand sanitizer will be provided at the entrance of the room and it should be used every time you enter the training room.
6. Seating arrangements will be marked out that allow for physical distancing measures to be followed. Please do not move chairs or tables to create seating groups.
7. You may bring coffee and snacks with you into the training room as these items will not be provided.
8. If you feel ill at any time during the course, please inform the instructor or Jameson Water Services at 250 882 0796.
9. Ask questions, participate in discussions, have fun, respect other peoples comfort levels with protocols, and maybe even learn a thing or two!
